

Volunteers Needed!

Help is needed at The Oltz Family Preserve

Please lend a hand if you can between
8:30 a.m. and noon
on Saturday, October 23, 2021

Join the **Bay County Conservancy** in restoring walking trails on this 2 ½ acre neighborhood preserve.

Bring your loppers and clippers if you have them— and probably bug spray 😊

We have a lot to do. Downed limbs and branches need to be hauled to brush piles; vines have to be cleared. We are trying hard to get at least some of the walking paths cleared and open again for neighbors to enjoy.

Wear sturdy shoes and work gloves and bring plenty of water. Follow the usual social distancing guidelines.

The Oltz Family Preserve is located at the corner of Britton Road and East 9th Street in Lynn Haven. There is plenty of parking along the roadside.
